

Fun Services is the Originator of the School Holiday Shopping Program and we have been perfecting this program for over 50 years.

Trust your School's Holiday Gift Shop to the Experts!

Kids helping kids has never been so FUN!

How it works

We are dedicated to making your Holiday Gift Shop easy, fun, and a success. We are here every step of the way to make sure your students have a festive, educational shopping experience and can bring home memorable gifts for all their loved ones.

Step 1

Choose your Selling Dates & Profit

❄️ Choose the dates that work best for your school. We recommend holding your shop for at least one week.

❄️ Choose profit percentages from 10 - 35%. Your school makes a profit on EVERY gift sold!

❄️ If you need help, selecting a mark-up that's right for your school, contact us! We have tons of experience and are happy to answer any questions.

Step 2

Promotional Items Arrive

❄️ Everything you need to start advertising your shop arrives. Parent letters, money envelopes, posters, etc.

❄️ This is a great time to start decorating the room that will host the Holiday Gift Shop. Send us a picture of your decorated shop for a chance to win our Holiday Gift Shop Decorating Contest! For ideas on how to decorate your shop, check us out on Pinterest!

Step 3

Shop Inventory Arrives

❄️ Your gifts, along with registers, gift bags, and start packet, are hand delivered and brought to the room of your choosing by Fun Services.

❄️ Your cash register will already be preloaded with the profit percentage you chose and ready to start scanning! The app will be ready to go with your profit percentage too, so you can scan on the fly!

❄️ Run out of items? Submit your reorder form and we will have them at your door within 24 hours. Each shop may submit 3 reorders.

Step 4

Close Up Shop

❄️ Follow the end of shop directions to find out your totals and profit.

❄️ Pack up the remaining gifts and Fun Services will come by to pick everything up. No need to lug everything to the front or prepare boxes for shipping.

❄️ You pay only for what you sell. No hidden fees or extra costs. Zero risk to your school.

It's that easy.

By doing a Holiday Gift Shop with Fun Services, your school's shop will help make a difference at no cost to you. Fun Services will carry Toys for Tots designated items in the gift line; every time a designated item is purchased in your shop, Fun Services will donate a toy of equal value to Toys for Tots – Let's make a difference together!

You can run your shop like normal. This year's gift line will include several items with this logo. When your students purchase one of these items, Fun Services will donate a toy of equal value to Toys for Tots.

Every school will receive a certificate with their name on it!

We will also provide these die cut paper images. When a student purchases a gift designated to support Toys for Tots, their name can be written in the space provided and your school can display them as a way to see the growing donations.

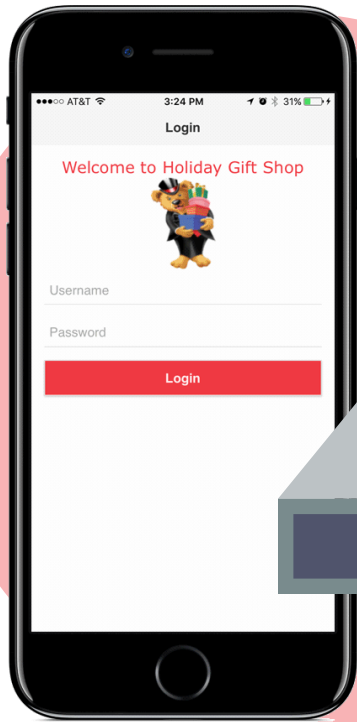

In 2020, we donated over **\$320,000** worth of toys!
